More bananas go forward to San
Francisco today per the steamship So-
noma, which is due this morning from
the Colonies. Four thousand bunches
are stored up in the Oceanic Steam-
ship Company's warehouse. The fail-
ure of the Coast to get the Blue-
fields bananas from the regular source
owing to the prevalence of yellow fever
in the South has caused an improved
market for the Hawaiian bananas. The
Sonoma will also carry about 3000 bags
of sugar and 2000 bags of rice.

The local passenger booking list is al-
so quite large. Among those booked
to depart are C. P. Morse, general
freight agent for the American-Haw-
aian S. S. Company at this port. Rev. and
Mrs. Doremus Scudder, the
former the secretary of the Hawaiian
Board of Missions, go East. George
M. Rolph, who has been selected as
manager of the Hawaiian Sugar Re-
finery at Crockett, Cal., leaves to take
charge of the concern. His place here
as secretary of Alexander & Baldwin
Co., Ltd., will be taken by E. E. Pax-
ton, manager of the Sugar Factors' Company.

The Sonoma will leave for San Fran-
cisco about 3 p. m. today.

THE CAPTURED AUSTRALIA.

VICTORIA, B. C., September 12.—The
captain and crew of the American
steamer Australia, seized by the Jap-
anese at Petropaulovski, arrived by the
steamer Empress of India today on the
way home to San Francisco. The Aus-
tralia carried a cargo from San Fran-
cisco under charter to the Kamchatka
Trading Company and reached Petro-
paulovski.

Then she visited neighboring places
on instructions received at Petropau-
lovski, and had returned to Petropau-
lovski, when the Japanese warships
entered, and, after bombarding the
place and destroying the Government
offices, seized the Australia. She had
no contraband on board, but was cap-
tured because she was employed on of-
ficial business by the Russians. She is
held at Yokohama.

LEGATION GUARD COMING.

Company B, 9th U. S. Infantry, which
has been on duty at Peking, China, as
the United States Legation Guard, has
been relieved by a detachment of United
States Marines and was scheduled
to sail on the transport Logan for San
Francisco. Upon arrival there the
company will proceed to Allegheny
Arsenal, Pa., for station.

Company B has been retained at
Peking as Legation Guard ever since
the Boxer trouble. The Ninth Infantry
entered the city with the Allies and
took possession of the American legation
grounds.

This would indicate that the Logan is

Lord & Belser's big dredger Governor still holds the center of attraction
on the waterfront. The dredger is eating into the coral foundation of the
island at a rapid rate, and occasionally the great dipper brings up chunks of
coral which show its great power. A few days ago a fifteen-ton coral boulder
was brought up. It was too large to go into the dipper and it rested on the
steel teeth, but so securely that it had to be dislodged with crowbars. The
boulder was so large that the contractors sent for a photographer, and the pic-
ture above is the result.

the transport which will call here about
October 12 en route to San Francisco.

HAS HAD NO WORD.

Captain Humphrey, Depot Quarter-
master, U. S. A., has received no infor-
mation concerning a transport coming
this way from Manila, en route to San
Francisco. At present the Logan and
Sheridan are in Oriental waters. Capt.
Humphrey generally receives a cable-
gram about the 21st or 22nd of each
month announcing the departure of a
transport from Nagasaki for Honolulu.
The Taft party plans may have de-
layed the transport now supposed to
have started for Honolulu. It may be
the Logan.

RIO JANEIRO SUGAR.

A cargo of 7000 sacks of sugar reach-
ed New York recently from Rio Janeiro
on the York Line steamer Castilian.
This is said to be Rio Janeiro's first
consignment of sugar to the United
States. A large crop and low price at
home were the causes assigned for the
shipment.

LACK OF STEAMERS.

Owing to the taking off of the Korea
and Siberia on the return trips, as far
as Honolulu is concerned, there will
not be a mail steamer from the Orient
on which local people can take passage
to the Coast until the arrival of the
Pacific Mail steamship Mongolia from
Yokohama on October 26.

SHIPPING NOTES.

The ship Henry Villard sailed yester-
day for Puget Sound in ballast.
Rear Admiral Henry Glass, U. S. N.,
will be retired for age on January 7,
1906.

Tomorrow morning the Oceanic S. S.
Sierra is due from San Francisco en
route to the Colonies.

The O. & O. steamship Doris is due
this afternoon from San Francisco en
route to the Orient.

The fourth-class Italian cruiser Ca-
labria, with Prince Ferdinando of Sa-
voy aboard, sailed yesterday for Hon-
olulu, en route to the Orient. The prince
is a midshipman.

The U. S. S. Iroquois left Midway
on Saturday evening, bound for Pearl
and Hermes reef, from which place
she will proceed to Honolulu. The
vessel will probably arrive here about
Thursday.

Otto Keller, Theodore Blanford and
Detlev V. Nolting, three German des-
erters from the German ship Marie
Hackfeld, who returned from Laysan
Island in the Lavinia, were turned over
to the United States Marshal yesterday
to await the arrival of the next German
ship by which they can be deported to
Germany. A fourth deserter is return-
ing in the schooner Woodbury.

BRYAN'S FAREWELL TALK

(Continued from Page 1.)

who will be best able to do for the party more than I have yet been able to do.
"I fully intend to take an active interest in politics for many years to come.
I shall study public questions while abroad, and send back considerable cor-
respondence during my absence. I have tried to make it understood on several
occasions that I mean to stay in politics for at least 25 years yet."

Mr. Bryan spoke at length opposing centralization tendencies in the federal
government. He dwelt upon the trust question and upon the insurance problem,
stating that "In devising a remedy for the trusts, the Democratic party should
absolutely oppose every effort to authorize a national incorporation or charter-
ing of trading or manufacturing enterprises. Congress has control over inter-
state commerce, but to control interstate commerce it is not necessary that it
should create corporations that can override state laws. The Democratic na-
tional platform of 1900 proposed a national remedy for the trusts entirely con-
sistent with the preservation of state remedies. It suggested a license system—
the license to permit a corporation to do business outside the state of its origin,
upon compliance with the conditions of the license, but the license would not
permit it to do business in any other state except on compliance with the con-
ditions provided by the state. In other words, it would be such a license as is
now granted for the sale of liquor. When a federal license is issued for the
sale of liquor, it does not carry with it any immunity from the laws of the
state in which the license serves. The same reasoning should be applied to the
insurance question and to all other questions which involve remedial leg-
islation."

Covers were laid for 300 guests at the banquet, and among those present
were Representative H. L. Rainey of Illinois, Ollie M. James of Kentucky,
Mayor Edward F. Dunne of Chicago, Judge James B. Tarvin of Covington, Ken-
tucky; Samuel Alschuler of Aurora, Illinois, and Clarence S. Darrow.
